Frankfurter Fingers
Broadcast by Mary Lee Taylor, July 10, 1941
3/4 cup grated American cheese (4 1/2 lb.)
1/4 cup bottled mustard
12 slices bread, white or whole wheat
1 cup Pet Milk
1/2 teaspoon salt
1/8 teaspoon pepper
Mix together grated cheese, 1/4 cup milk, the salt and pepper. Cook over boiling water until cheese melts and sauce is smooth, stirring frequently. Remove from heat, cover and let stand at room temperature until needed. Turn on oven and set at moderate (375°). Mix mustard with remaining 1/4 cup milk. Remove crusts from bread slices. Spread one side of each slice with equal portions of mustard mixture. Then spread with equal portions of cheese mixture. Place frankfurters on top, diagonally across center of slices. Fold corners of bread over frankfurters, securing with toothpicks. Put on greased baking sheet. Bake 10 minutes, or until frankfurters are thoroughly heated. Makes a dozen. *Wieners may also be used.
